DAWN MOON

Uji, Kyoto Prefecture

Dawn Moon" WE.TEA.02 Matcha. True ceremonial grade tea grade. A deep, searching spirit balanced with a sweet, playful heart. This tea was created for the first World Tea Gathering in Iceland. This matcha is inspired by the summer of Iceland - with a dawn moon that shares the morning sky with the sun. The romance of the two heavenly bodies light up the natural world with a rare spectrum of colour and energy.
